

The Illinois Department of Public Safety (DPS) is a state agency that provides law enforcement and public safety services to the State of Illinois. The DPS is a part of the Illinois State Police (ISP) and is responsible for the training and supervision of police officers and other law enforcement personnel. The DPS is also responsible for the administration of the State's law enforcement system, including the management of law enforcement personnel, the procurement of law enforcement equipment, and the coordination of law enforcement activities. The DPS is a state agency that is subject to the provisions of the Illinois Freedom of Information Act (FOIA). The FOIA provides that any person has the right to access any information that is held by a state agency, unless the information is exempt from disclosure. The FOIA also provides that any person who requests information from a state agency must provide a written request that describes the information sought. The FOIA also provides that any person who requests information from a state agency must provide a written request that describes the information sought. The FOIA also provides that any person who requests information from a state agency must provide a written request that describes the information sought.
